Your interest rate and annual percentage yield may change.

Determination of Rate. At our discretion, we may change the interest rate on your account.

Frequency of Rate Changes. We may change the interest rate on your account at any time.

Limitations on Rate Changes. There are no maximum or minimum interest rate limits for this account.

COMPOUNDING AND CREDITING. Interest will be compounded monthly and will be credited to the account monthly. If you close your account before interest is credited, you will receive the accrued interest.

MINIMUM BALANCE REQUIREMENTS. A service charge of \$10.00 will be imposed every statement cycle if the average daily balance for the statement cycle falls below \$300.00.

The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

You must maintain a minimum daily balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

DORMANT/INACTIVE ACCOUNT INFORMATION. A dormant account fee of \$12.00 per statement cycle will be charged after 24 months of inactivity.

BALANCE COMPUTATION METHOD. We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.

The daily balance that we use when calculating interest is the collected balance. That means we only include those funds for which we have actually received payment when we determine the daily balance on which interest is paid.

ACCRUAL ON NONCASH DEPOSITS. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

TRANSACTION LIMITATIONS. You may not make more than 6 withdrawals or transfers to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone order or instruction, computer transfer, or by check, draft, debit card or similar order to a third party during a statement cycle. Excess withdrawals may be subject to a fee of \$10.00 per transfer or payment to a third party.

FEES AND CHARGES. Please refer to the separate Fee Schedule provided to you with this disclosure for information about fees and charges associated with this account. A Fee Schedule will be provided to you at the time you open an account, periodically when fees or charges change, and upon request.
